

# Equinox

The Garden Leisure Equinox brings together human creativity and computer accuracy to create the most advanced design in above ground pools. The components are carefully crafted using the latest materials and Vinyl Plexi-Coat finishes, which results in a product that performs as well as it looks for years to come.

## The Equinox offers...

- **Gold Series Pool**
- **Aerodynamic 8" Top Rails.**
- **Rugged 7" Upright for stability.**
- **Space Saver oval system gives you more backyard space.**
- **Double Vinyl Plexi-Coat finished materials to protect against the elements.**
- **We made the pool 52" tall to give you the most swimming freedom.**
- **Collar-lock engineering at the joints is safe and secure with all resin top caps.**
- **Beautiful Pewter Gray frame color**
- **Silver Leaf wall design blends comfortably into your backyard living space.**
