

Eclipse LX

The Garden Leisure Eclipse LX brings together economy-of-cost and quality construction design to create an excellent value in an above ground pool. The components are carefully crafted using quality materials and Vinyl Plexi-Coat finishes, which result in a product that performs as well as it looks for years to come.

When you add the Eclipse LX to your backyard, you create an exciting new place to be. Quality time with your family-Relaxing with your friends-Cooling off on a warm summer day-A quiet moment for yourself-These are the reasons why you buy a pool, and with the Eclipse LX, you are ready to start your new leisure lifestyle.

The Eclipse LX offers...

- Silver Series Pool
- 6" Top Rails with a contemporary design
- 5" Uprights formed for maximum strength
- 52" tall pool height gives you more water to enjoy
- Vinyl Plexi-Coat finished materials to protect against the elements
- Contemporary Resin Top Cover with collar-lock engineering for safe, secure joints
- Beautiful Pearl frame color
- Vinezia LX wall design easily blends into your backyard
